THE CIRCLE GAME

Yesterday a child came out to wander,
And caught a dragon fly inside a jar.
And fearful when the skies were full of thunder,
And tearful at the falling of a star.
And the seasons they go round and round
Painted Ponies go up and down
We're captive on a carousel of time
We can't return, we can only look behind from where we came,
And go round and round, in a circle game.

Then the child moved ten times round the seasons
And skated over ten clear frozen streams,
Words like "When your older and must appease him"
And promises of someday make his dream.
And sixteen springs and sixteen summers gone down,
And cartwheels turned the car wheels through the town,
They tell him take your time it won't be long now,
'Til you drag your feet, to slow the circles down.
And the seasons, they go round and round
Painted Ponies go up and down
We're captive on a carousel of time
We can't return, we can only look behind from where we came,
And go round and round, in a circle game.

And so the child who dreamed tomorrow, now is twenty,
Though his dreams have lost some grandeur coming true,
There'll be new dreams, maybe better dreams, and plenty
Before the last revolving year is through.
And the seasons they go round and round,
Painted Ponies go up and down,
We're captive on a carousel of time
We can't return, we can only look behind from where we came,
And go round and round, in a circle game.
